Regional Performance Review

Multi-page layout and table continuation

This multi-page report demonstrates measured pagination. The layout engine keeps headings with the following text, splits long paragraphs across pages, repeats table headers, and reserves space for the footer.

The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space. The report continues with enough content to cross a page boundary without leaving a stranded heading or accidental blank space.

Regional table

Region	Revenue	Growth
Region 1	$1.2M	1%
Region 2	$2.2M	2%
Region 3	$3.2M	3%
Region 4	$4.2M	4%
Region 5	$5.2M	5%
Region 6	$6.2M	6%

Region	Revenue	Growth
Region 7	$7.2M	7%
Region 8	$8.2M	8%
Region 9	$9.2M	9%
